Correction to Company Announcement no. 37 - Notification of transactions by person discharging managerial responsibilities in Penneo

Company Announcement No. 39-2023
Copenhagen, 6 December 2023

On 5 December 2023 in company announcement 37, Penneo notified Finanstilsynet and publicly disclosed transactions made by a person discharging managerial responsibilities. However, in the template the prices and volumes were only disclosed as the aggregated information and not split up into seperate "Price(s)" (Section 4, c)).

Hence, Penneo notifies Finanstilsynet and publicly discloses the transactions again with this amendment.

Aggregated prices and volumes remain the same.

About Penneo A/S

Penneo is a provider of Software-as-a-Service (SaaS), and was initially established for the purpose of assisting businesses with digital document signing and digitizing workflows. Today, the company has developed into an eco-system of digital solutions that automate work routines within for example anti-money laundering (AML) - a RegTech software that offers businesses an efficient and cost-saving way to comply with legislation.

The original and widespread product "Penneo Sign", which helps customers secure easy online signing of documents, is still continuously developed by the company - while at the same time new products appear, such as Penneo KYC (Know Your Customer) - a product that digitizes the work-flows in businesses and contributes to complying with legal requirements in connection with onboarding and identification of customers. Penneo holds a strong position across the geographical markets it operates in.

In total, 1.8 million individuals signed documents electronically with Penneo in 2022 across all of the markets we operate in. In April 2022, Penneo was listed on Nasdaq Copenhagen following a listing on Nasdaq First North in June 2020. This transition contributes to

strengthening the company's focus on European expansion.
