About Penneo A/S
Penneo combines digital signing and Know Your Customer (KYC) workflows into a single platform that streamlines critical business processes for anti-money-laundering regulated B2B companies.

Founded in Copenhagen and operating throughout Europe, Penneo is fast becoming the go-to platform for companies looking to save time on administrative tasks while ensuring complete regulatory compliance and peace of mind for themselves and their clients. Penneo is already trusted by +2,800 companies - including the world's leading auditors.

Following our listing on Nasdaq Copenhagen Main Market in April 2022, we are now more than ever in a position to execute our European expansion strategy and scale our operations to maximize value to our existing and future customers.
